Personal Reference Form

This applicant has applied to work with us at Rivers Edge Camp. We are looking for people who are willing to serve the Lord as they serve the camp and campers. Our desire is to provide real experiences; character building opportunities that will challenge people physically, emotionally, socially, and spiritually and allow them to stretch and flourish...to be the people that God created them to be. Each person who serves on staff plays a part in the process God uses to reach boys and girls with the message of Jesus Christ. All staff are expected to be developing their relationship with God and have a desire to live by the standards set in the Bible. They will be interacting with young children, in addition to adults and other guests at camp, and in a position of example and (potentially) leadership.

To submit your personal reference, please fill in the form below, and email to staff@riversedgecamp.org.
